Reflection Questions

Please respond to the following questions on a separate piece of paper. This is a very important component of the application. We cannot consider your application unless you have provided us with responses to these questions.

1. Why do you want to work at Lincoln Park Zoo this summer? What interests you in the internship?

2. Imagine that you have the ability to design your classes for the next school year. You can take classes about anything. What classes would you take? What are you interested in learning about?
