

- The Chicago Park District has arranged to make bus parking available for your school's field trip.
- In order to insure space is available for all our schools, you must pre-purchase an "E-Permit" for your bus space and receive your bus lot assignment in advance of your visit.
- To pre-purchase your bus space please visit <http://chicagoparkdistrictparking.com/> and click on the link for "Zoo Bus Parking"
  - This link will not be available until April, 1, 2010.
- Once at the website you will find additional information regarding the bus parking program.
- Once you complete your purchase on the website (credit card required) your "E-Permit" and lot assignment will be e-mailed back to you.
  - Buses will be assigned to park in one of several north side lakefront parking lots.
- The cost for the bus "E-Permit" will be \$13.00 + a \$4.00 transaction fee.
- If you fail to pre-purchase a bus "E-Permit" you may also pay a cash bus rate of \$32.00 (rate subject to change) at the lot by Adler Planetarium on the day of your trip.
- If you have any questions you may call the Chicago Park District Lakefront parking office at 312-742-7667.

**DISCLAIMER:**

Lincoln Park Zoo and the Chicago Park District are two separate entities. Lincoln Park Zoo is not involved in any decisions regarding available parking or the price of parking in the city of Chicago including lakefront parking lots.
