

# Nature Boardwalk

LINCOLN PARK ZOO

**Learn more with these Nature Boardwalk Events! Daily programs meet at the Peoples Gas Education Pavilion.**

## DAILY PROGRAMS

### Feathered Friends 9 a.m.

Find out which of our feathered friends call Nature Boardwalk home! Learn about birds and try your hand at bird-watching. Binoculars provided.

### Exploring the Ecosystem 10 a.m. & 1 p.m.

Nature Boardwalk was created to provide a new, natural habitat for pond plants and animals. Discover how ponds function and how this new ecosystem benefits local wildlife.

### Before and After: A History of Nature Boardwalk 11 a.m. & 2 p.m.

Learn how this Chicago landmark was transformed into a striking urban oasis and outdoor classroom.

### Fishy Fun 3 p.m.

Splish splash, the new pond provides a perfect oasis for a variety of native fish species. Discover the role fish play in Nature Boardwalk ecology.

*Seasonal programs occur from June 24 to the end of September. All programs subject to change and cancellation.*
