

**FOR IMMEDIATE RELEASE**

## **Virtual Reality Now at Lincoln Park Zoo**

*Sea Explorer 5D Experience Now Available at Kovler Lion House*

**Chicago (October 6, 2017)**— Lincoln Park Zoo has announced that a new virtual reality experience will be available at Kovler Lion House, beginning Oct. 6. An immersive journey for the whole family, the *Sea Explorer 5-D* is an exciting dive in a high-tech virtual submarine.

Guests can choose between two adventures: *Polar Dive* explores landscapes and wildlife at the North and South Pole while *Deep Sea Dive* showcases ocean scenery and deep sea wildlife encounters.

This fun, unique experience is only available in Chicago at Lincoln Park Zoo. Tickets are \$6 (two tickets) and available in discounted bundles. The experience is accessible and guests must be 4 years or older to ride.

### **ABOUT LINCOLN PARK ZOO**

Lincoln Park Zoo inspires communities to create environments where wildlife will thrive in our urbanizing world. The zoo is a leader in local and global conservation, animal care and welfare, learning, and science. A historic Chicago landmark founded in 1868, the not-for-profit Lincoln Park Zoo is a privately-managed, member-supported organization and is free and open 365 days a year. Visit us at [lpzoo.org](http://lpzoo.org).
