Where are the animals? Animals at Lincoln Park Zoo have access to viewable and non-viewable spaces. They choose where and how to spend their time in their habitats. This is an important component of our animal welfare program. If you don't see an animal, it's probably hanging out behind the scenes!

Want more events? Check out these upcoming experiences from Lincoln Park Zoo and River North Fests!

'90s Night at the Zoo June 13

Stop, collaborate, and listen to your favorite retro jams!

Craft Brews at Lincoln Park Zoo June 28
