

Plug In to Nature

You don't need to give up "screen time" to enjoy nature. Grab your smartphone or tablet and use these apps to connect with the great outdoors!

Nature Passport

Complete missions in the great outdoors! Explore new areas and earn badges.

AllTrails

Take a hike! Explore nearby trails, report trail issues, and connect with nature.

BigMagnify

Don't have a magnifying glass handy? Use your smart device to get up close to nature.

Wild Time

Have a few minutes to spare? Find time-based wild things to do outdoors!

Leafsnap

Ever find an interesting leaf while out walking? Snap a photo and learn which tree it belongs to.

Merlin Bird ID

Answer 5 quick questions or view stunning photos to correctly identify local bird species.

Night Sky

Point your phone towards the night sky to see a 3D map of constellations.

Let's Go Pond Dipping

Spending time near the water? Identify aquatic life and complete challenges.

Plum's Creaturizer

Build your very own wild creature then photograph your creature exploring the outdoors!

Gro Garden

Create your own organic garden with this app, then put your new skills to work outdoors.

Nature Cat's Great Outdoors

This app is an on-the-go toolset for exploring nature, complete with a compass and journal!

Geocaching

Become part of a world-wide treasure hunt. This app is the perfect start to geocaching.
