

Visiting Lincoln Park Zoo for ZooLights

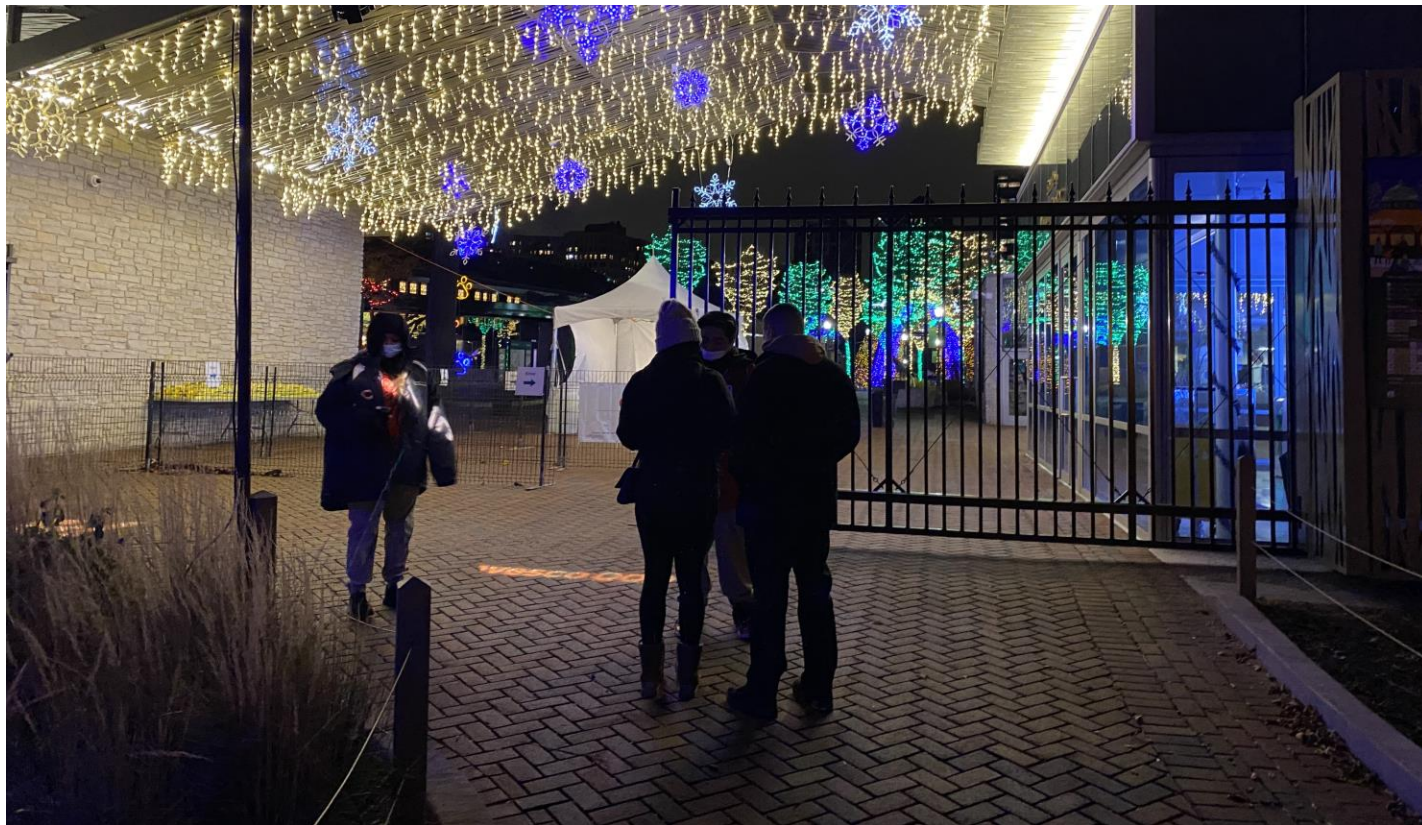

I will need to wear my mask to stay safe and healthy. If I need a mask break, I can take it off when I am outside.

I will need to wear warm clothes. It will be cold outside.

When I get to the zoo, I will wait in line until it is my turn to go in. I will stay with my group when I am in line.

There might be crowds of people all around me at the zoo. I should stay with my group and let them know if I need space away from the crowd.

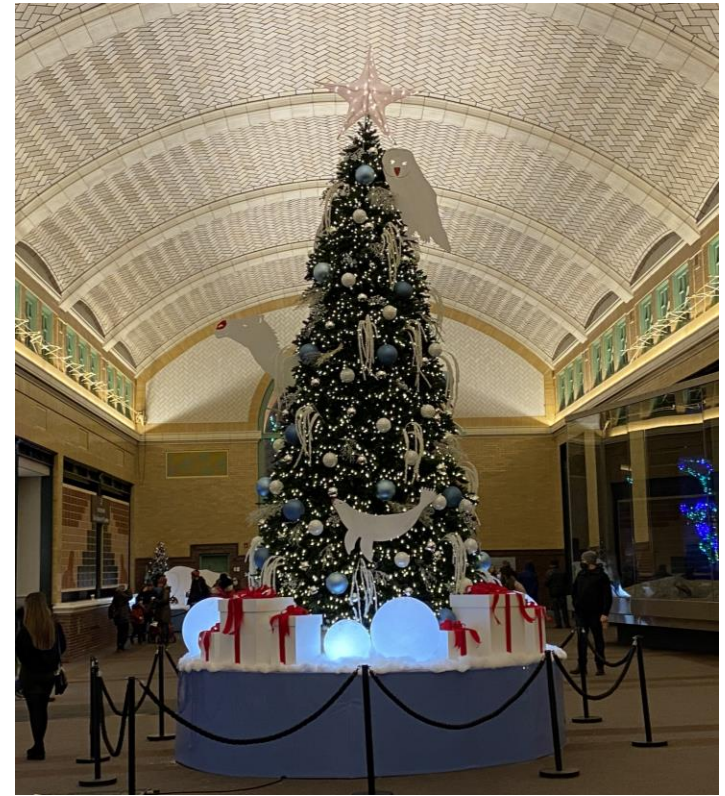

**I will notice many people wearing a mask.
People wearing a green uniform work at the
zoo and want to help me. I can still see their
eyes.**

**They wear masks to keep everyone safe and
healthy.**

I will see lots of holiday lights both outside and inside buildings. I might need to wait my turn to see the lights up close.

If any of the lights or noise bother or upset me, I can let my group know and leave the area.

I can visit the animals at the zoo. Some animals I want to visit may not be out because it is nighttime. That is okay. I know they are safe.

Some of the buildings with animals inside will be closed, but there are still lots of places I can go to visit animals.

It might be dark in some places. I will be sure to stay with my group. I can let them know I want help in these dark places.

If I want to, I can visit Santa on nights before Christmas Eve. I will need to wait my turn to visit him.

If I get hungry, I can get something to eat or drink. My group can help me choose what to eat or drink.

My visit to ZooLights might bring up lots of feelings. It's OK to have these feelings. I had a safe and fun visit to the zoo.

The End
