

# Lincoln Park Zoo Zoo Crew

**When I get to the zoo, I will wait in line until it is my turn to check in with camp staff.**

**They will ask me how I feel and if I have everything I need for my day at camp.**

**Each morning I will gather with counselors and campers to start the day. I will wait for camp to start with my group.**

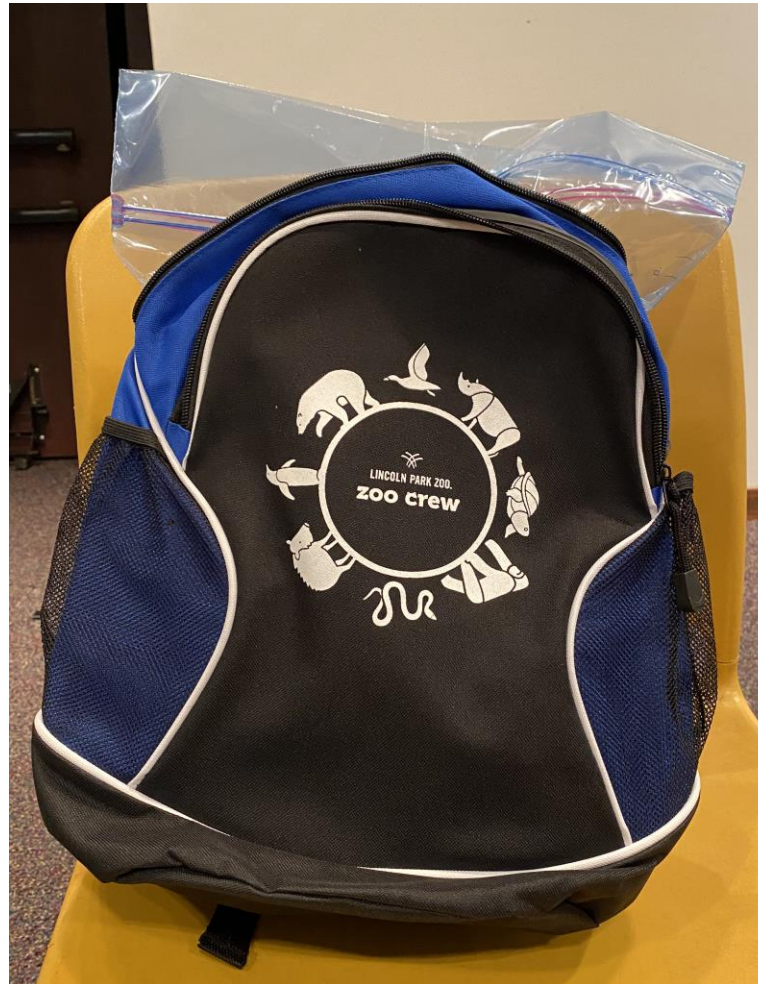

My counselors will wear **red** shirts. They can all help me and teach me new things.

At camp, I will wear a **green** shirt like the campers in my group. This helps us stay together.

**I will get a backpack with my name on it. I keep my things in it. I will remember to bring it back to camp each day.**

**I will stay with my group and my counselors as we explore the zoo and learn about animals. I can ask questions, and I can listen to my friends' questions. I can listen to the answers.**

**There will be lots of activities and chances for me to explore with my friends. I can choose what activities I do and wait for my turn. My counselor can help me choose and remind me what to do.**

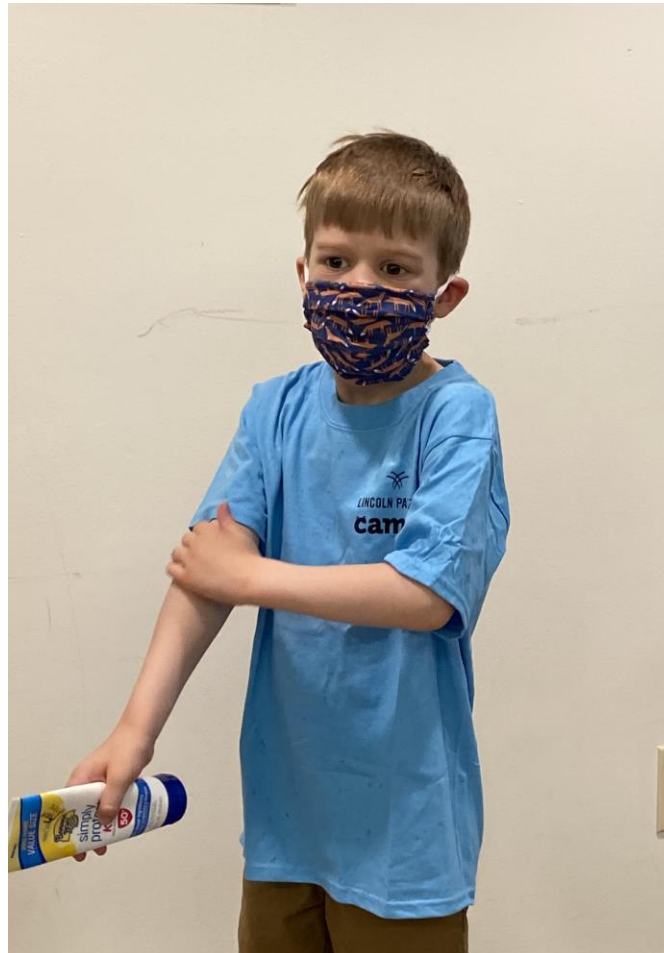

**I can wash my hands in the bathroom or use hand sanitizer with everyone from my group. It helps everyone stay healthy.**

**I will need to have sunscreen on to protect my skin while outside. I will put sunscreen on myself.**

**I can bring my own lunch and snack to camp or have a snack and lunch the zoo makes for me.**

**I will go on two field trips with my group. There will be new activities to do and new places to be. I can ask for help if I feel overwhelmed or need a break. Trying new things can be fun.**

**My group and I will stay late at the zoo one night. We will eat dinner together. I will stay safe and have a good time. My adults will pick me up before bedtime.**

**Being at camp may bring up lots of feelings. I can ask camp staff to help me. I will let them know when I need a break. The staff is nice and helpful.**

**At the end of the day, I will be picked up by my adult. I had a great day at camp and look forward to coming back tomorrow.**
