

**LINCOLN PARK ZOO.**  
FOR WILDLIFE. FOR ALL.

## ***Zoo Investigations***

**The Cool Chicken  
Challenge  
(pre-program narrative)**

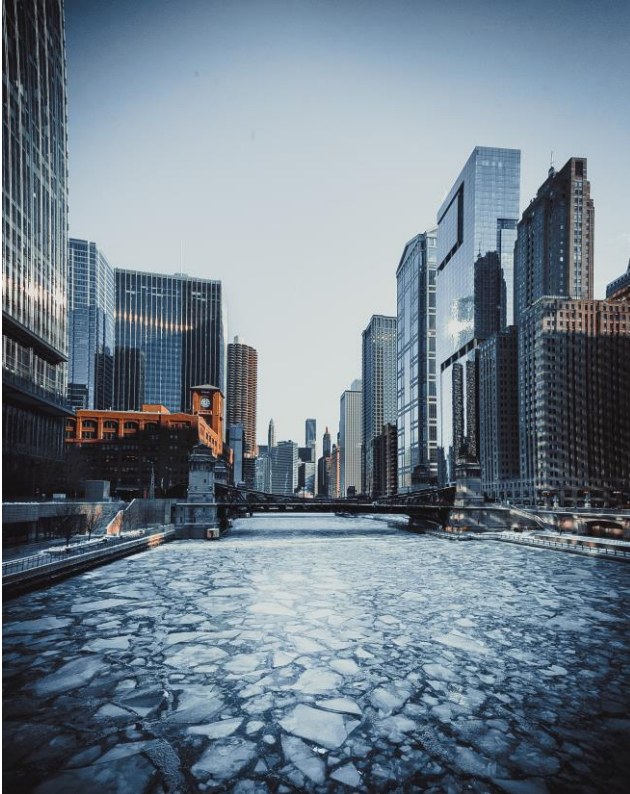

# These are chickens at Lincoln Park Zoo. What do you observe about them?

**Here are chickens in their yard at Lincoln Park Zoo. What sounds do they make? How do they move? What else did you observe?**

# We will also observe temperature. What temperature do you like better?

cold winter day

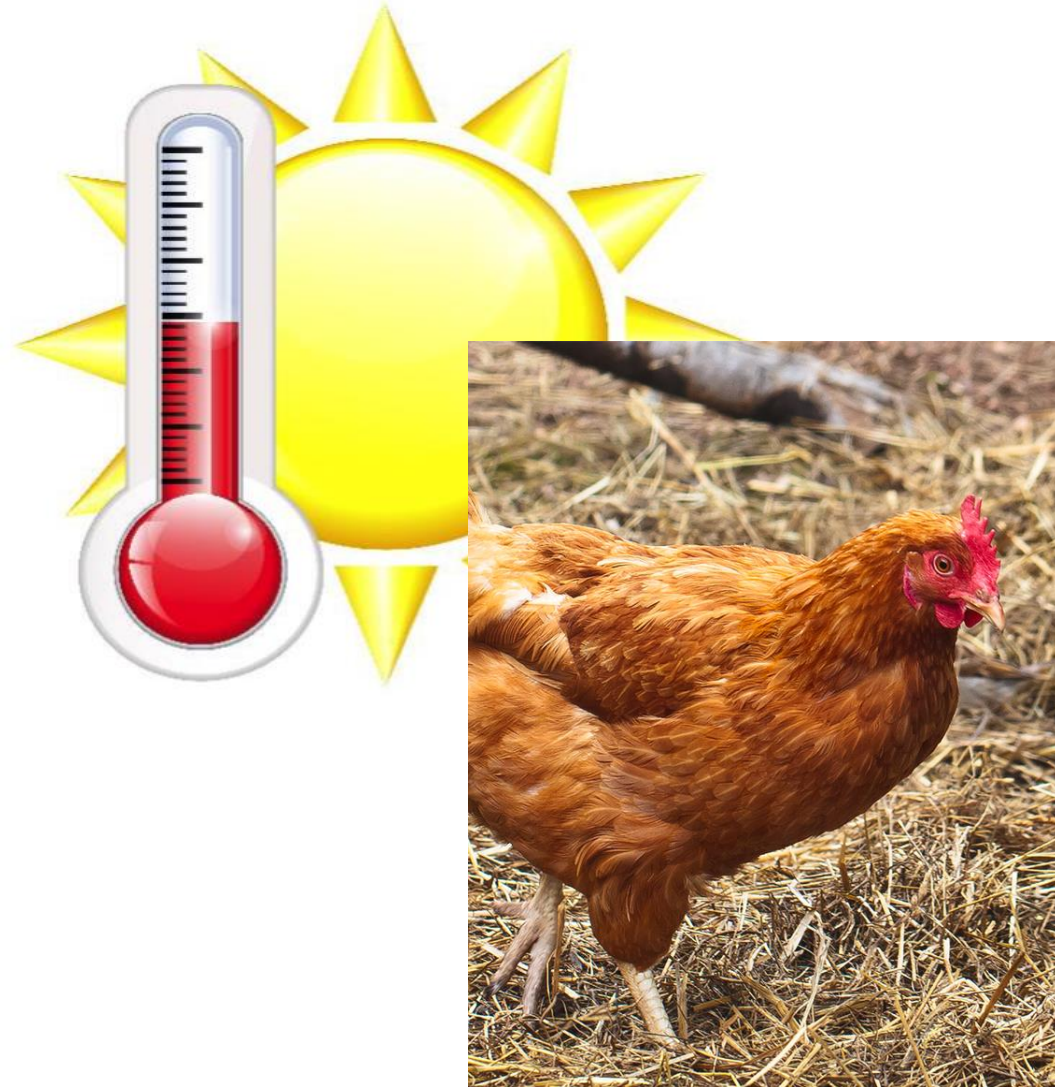

cool spring day

hot summer day

# What temperature do you think chickens like?

- You will learn how Lincoln Park Zoo cares for our chickens.
- You will monitor chicken behavior.
- You will investigate how to provide the best habitat for chickens at Lincoln Park Zoo.

**Do you have any questions about chickens? You will have the chance to ask educators from Lincoln Park Zoo.**

## Meet the Educators

- Matt, Rosie, Nicole, Shauna, and Bill work for Lincoln Park Zoo. They will investigate chickens with you. They want to answer all your questions.
